PRICES PER POUND

Fresh gourmet mushrooms grown locally and delivered within a day of harvest. Set up a standing order: **weekly customers get our best price.** Mix varieties on any order.

Lion's Mane

Hericium erinaceus

Shaggy white clusters with a tender, meaty bite and a mild, seafood-like sweetness. A chef favorite for plant-based "crab" and "scallops."

Best for: crab cakes · seared "scallops" · steaks · tacos · ramen

per lb

Chestnut

Pholiota adiposa

Glossy chestnut-brown caps on crisp stems, with a nutty, earthy flavor and a firm texture that holds up to long cooking.

Best for: risotto · pasta · stir-fry · braises · pan roasts

Oyster

Pleurotus ostreatus

Delicate, fan-shaped clusters with a velvety texture and a savory, subtle flavor. They crisp beautifully when seared or fried.

Best for: "fried chicken" · tacos · soups · pizza · sautés

CARE & COOKING

KEEP THIS SHEET IN THE KITCHEN

Handling & storage

VARIETY	FLAVOR & TEXTURE	HOW TO COOK	STORAGE
Lion's Mane	Mild, sweet, seafood-like; tender and meaty	Tear or slice thick; press and sear in butter or oil until golden. Great breaded.	Paper bag, fridge 34–38°F. Best within 5–7 days.
Chestnut	Nutty, earthy; firm, crunchy stems	Cook whole or halved; holds shape in risotto, braises and stir-fry.	Paper bag, fridge. Best within 5–7 days.
Oyster	Savory, delicate; velvety	Separate clusters; high heat to crisp edges. Excellent fried.	Paper bag, fridge. Best within 4–5 days.

Tip: don't wash under running water. Brush clean or give a quick rinse and pat dry just before cooking.
